Fin Side Table is a minimal furniture piece, designed with the intention to fit many different interior settings. Using known shapes and components from the NORR11 collection. The table has references to NORR11 classics and is designed as the perfect companion to the Mammoth and Elephant Chairs. Fin comes with a top of solid oak with round edges, making it paper-thin seen from one angle and solid from another. The table has two turned oak timber sections, contrasted by a fin-shaped leg of massive oak.
