PAVOT VASE  
Designed by *Colin King Studio*

Crafted in aluminium with an elegant aged finish, the Pavot Bowl is a modern homage to antiquity, perfectly balancing traditional design with contemporary innovation. The foot of the bowl is inspired by the organic shape of a poppy seed head in a subtle nod to nature's timeless beauty. Its gently curved lines and the textured patina evoke ancient craftsmanship, while the minimalist silhouette offers a more modern spin. Beautiful as a standalone sculpture, as a functional object, it's ideal for holding small objects.
