TR5 Pendant

Description

TR5 is one of the first and most iconic Tom Rossau lamps. The pendant is made in several different materials, colours, and sizes. Plenty of opportunity to find the perfect match for any home decor. The TR5 pendant is ideal for the dining table. The open structure of the lampshade

provides an enchanting spread of light while it conceals the source of its radiance. A cosy and functional lamp where good craftsmanship and authenticity go hand in hand.

TR5 is also available as a wall, table, and floor lamp.
